

QUALITY POLICY

CCC/2022-01
Dated: 02-Jan-2022

We at Chipin Computer Consul, dedicate ourselves to providing high quality & Hassle-Free IT Solutions to our customers in the field of Hardware & Software and develop a culture where superior product/service quality is a way of life.

To help us achieve the above objective, we, as a company commit to the following.

- Provide the most appropriate solution to client's requirement
- To deliver consistent, reliable and hassle-free IT Services on time every time.
- Be responsive to internal and external stake holders which influence our organizational performance.
- Operate in a safe, socially responsible and ethical manner at all times.
- Effective implementation of QMS and its continuous improvement.
- Give value to our employees as the most valuable Asset of the company.
- Ensure compliance to all applicable statutory and regulatory requirements.

We are fully committed to ISO9001:2015 standards and this policy shall form the basis of establishing objectives at all levels of our operations guiding us to become the market leaders in IT Service Industry in the UAE.

(Rajan Sabharwal)
Managing Director
